

PROVIDING SOLUTIONS FOR ALL YOUR TREE SURGERY, FENCING, VEGETATION MANAGEMENT AND WEED CONTROL REQUIREMENTS IN WILTSHIRE AND ACROSS THE SOUTH WEST

WHERE COMMON SENSE IS STILL COMMON

Takeuchi TB230 Compact Excavator | 3 Tonne

The Takeuchi TB230 Compact Excavator offers operators a powerful operating performance with the largest cab on a 3-tonne weight class excavator, equivalent to a 6-tonne cab size.

Benefits for you:

- Compact machine
- Powerful with High Hydraulic oil flow
- Easily moved between sites by 4x4
- Rotating Handling grab for a wide range of tasks incl:
 - *handling of cut brash & timber*
 - *removal of fences*
 - *excavation works in small spaces*
 - *tree removal when fitted with tree shear*
- **Stage V Ready <19kW**
Meeting all low emission regulations, with maximum efficiency and power the TB230 does not require any exhaust after-treatment systems.
- **3-Tonne Cab or Canopy**
We have opted for the cab and the machine is a proven high-performance machine with excellent power, greater torque and first-class hydraulic system for faster cycle times and productivity on site.
- **Pick Your Mode**
Economy and High-Altitude Modes allow the operator to choose the operating mode best suited to the application.
- **Power to Perform**
Powerful arm and bucket breakout forces provide an outstanding blend of speed, power, and versatility to which we have added a rotating handling grab for timber works to replace the current mini digger.
- **Switch Activated Blade Float**
Switch activated blade float now fitted as standard to maximize ground finishing on site.
