WHERE COMMON SENSE IS STILL COMMON

Dismantle of a multi stem beech tree at Edington which was in decline

We recently felled a multi-stem 20m high beech tree opposite The Three Daggers pub in Edington <https://www.threedaggers.co.uk/eat/pub/>. The tree was right by the road and was showing signs of dying back. Its position made it unsafe to remain. We were pleased to receive this feedback from our client:

“Your guys have just felled a large beech tree adjacent to our drive. I wanted to let you know what a good job they did. The notice said the road would be closed for 2 days but they completed the job in less than 6 hours; very impressive kit, very efficient and helpful. All cleared up tidily, and they left me a gift of logs for firewood.

I was very impressed. Richard”
