Removal of large conifer hedge, replacing with closeboard fencing on Duraposts

We removed a large conifer hedge including the stumps near Corsham as it was impacting on the wall. The hedge was then replaced with a 6ft close board fence on Duraposts and were delighted to receive this feedback from Jo.

“ Just to say I went back home at lunchtime today to discover everything was finished. Your team have done a fabulous job and all of your workers have been really great. I'm really pleased with the result, thank you. They've all been cheerful, polite, friendly and have tidied up everything beautifully. Please can you pass on my appreciation to them all as well, and I will definitely be recommending you guys. If only I could employ you to fix the house!
